3 Days Amboseli Safari

This is a short yet well planned safari that introduces you to Amboseli National Park branded as Kilimanjaro Royal court. Amboseli is famous for its herds of elephants that graze against the backdrop of Mt. Kilimanjaro and you also get breathtaking views of Africa's highest mountain. You can look forward to up-close encounter with African elephants among other animals.

Day 1: Nairobi- Amboseli National Park

You will be picked up from your Nairobi Hotel or at the airport and depart for Amboseli at 7:00am. Drive through the busy Nairobi-Mombasa highway arriving on time for lunch at the Kibo Safari Camp. Relax in the camp getting ready for the afternoon game drive starting from 3:00pm. Amboseli National Park is famous for its big game - elephants, lions and cheetahs are the main attractions - and for its great scenery beauty. Amboseli embodies five main wildlife habitats, plus a generally dry lake-bed - Lake Amboseli. These are open plains; extensive stands of yellow-barked acacia woodland; rocky, lava strewn thorn-bush country; swamps and marshes; and at the western end of the reserve, above Namanga, the massif of Ol Doinyo Orok rising to over 2,760m (8.300ft) and still for the most part zoologically unexplored.
