4 Days Masai Mara Lake Nakuru Safari

An adventure of its kind that takes you to two of the Kenya's most popular wildlife protected areas that is Masai Mara and Lake Nakuru. The tour gives you an opportunity to see different animal species as well as numerous species of birds. It's a tour that can be booked throughout the year. The two parks do not disappoint, there is a lot to see at any given time of the year.

Day 1: Nairobi - Masai Mara

You will be picked by our representative from your Nairobi hotel after breakfast or at the airport at 0700hrs and drive through the spectacular Great Rift Valley with a stop-over at the escarpment view point en-route to Masai Mara. Arrive on time for lunch at the Masai Mara Sopa Lodge. Masai Mara is world famous for the annual great wildebeest migration that takes place in July and August where close to a million wildebeest close the Mara River in search of pasture. At 1600hrs – 1830hrs you enjoy your first evening game drive, our guide will take you through the reserve where you will be surprised by the high concentration of wild animals in this reserve. Here herds of elephants roam freely, wildebeest, buffalos, impalas, Thomson's gazelles and Zebras graze in their numbers. Big cats are not hard to spot either including the elusive leopard, it is one of the few place you are guaranteed to spot the famous Big Five on a single morning or afternoon.

Day 2

Masai Mara Exploration

A day in this haven of wildlife with morning game drive at 0630 hrs – 0830 hrs. Return to the camp for breakfast. Spend the morning at leisure with an optional visit to the Maasai village. Alternatively, you can take a nature walk within the lodge with the naturalist who will tell you more about the fauna and flora of the Mara ecosystem. Lunch. Spend the afternoon at leisure. At 1600hrs – 1830hrs you enjoy your evening game drive. This reserve is not only the most popular

game reserve in the country, it is probably why people visit Kenya. The reserve is set on a classic African Savannah and the huge density of wildlife is astounding. Zebras, wildebeest and gazelles graze in large herds and as a matter of fact where prey is in plenty so are the predators.
