## 9 Day Magical Kenya Highlights Safari

This is a short but well-planned safari that is not too rushed and introduces you to the beasts of nature. It takes you to Kenya's most popular game reserve renowned for the Wildebeest Migration. You will later proceed to Lake Nakuru National Park which is one of the world's greatest ornithological site. And finally, it takes you to the slopes of Mt Kenya across the equator to Sweetwaters Game Sanctuary, the only park with a Chimpanzee Sanctuary in Kenya.

### Day 1: Nairobi - Masai Mara Game Reserve

You will be picked from the airport or your Nairobi Hotel after breakfast by our company representative who will introduce you to your guide/driver. Depart Nairobi soon after a briefing drive through the scenic Rift Valley to Masai Mara. You will have breathtaking views of hills, grasslands, extinct volcanoes and wheat plantations. Arrive on world's famous game reserve at 1300hrs just on time for lunch at the Mara Sopa Lodge and relax getting ready for a late afternoon game drive that starts at 1600hrs to 1830hrs. Your game drive will definitely make you understand why Masai Mara is the most famous national reserve in the world. You will be surprised by the concentration of wildlife in this reserve. Return to the lodge for dinner and overnight.

### Day 2: Masai Mara National Reserve

Spend the entire day exploring this world famous game reserve with packed picnic lunch. This reserve is not only the most popular game reserve in the country, it is probably why people visit Kenya. The reserve is set on a classic African Savannah and the huge density of wildlife is astounding. Zebras, wildebeest and gazelles graze in large herds and as a matter of fact where prey is in plenty so are the predators. The reserve covers an area of approximately 1510 sq km of open grassland waters by the Mara River and Talek which is a tributary of the former. Here it is very common to see the big cats hunting; they are also in their numbers. The leopard is the hardest to spot of the famous Big Five, but in Mara it not as hard to see it relaxing on a tree.

Hippos, buffaloes, elephants, giraffes also exist in large numbers. Return to the lodge for dinner and overnight.
