### **3 Days Samburu Fly-In Safari**

Samburu Reserve is especially famous for the almost guaranteed sighting of the 3 cats: lion, cheetah, and leopard. It bores a natural serenity due to its distance from industry and the inaccessibility of the reserve for many years. This safari will traverse north through the high shoulder of Mountain Kenya to the Game Reserve of Samburu. See the Ewaso Nyiro River which supports a wide variety of game such as elephant, reticulated giraffe, buffalo, grevy's zebra, oryx and the long necked gerenuk.

#### **Day 1: Nairobi – Samburu Game Reserve**

Depart Wilson Airport in Nairobi en route to Samburu. Upon arrival you will be met and transferred to Samburu Intrepids Camp with a game drive en-route. After lunch proceed for your evening game drive starting at 4:00pm Samburu Game Reserve is characterized by vast, open landscapes, dried riverbeds (depending on the season of the year) and red volcanic soil. Rock outcroppings contrast against the dense woodland vegetation along the banks of Ewaso Nyiro the river that gives life to the reserve. Although mostly dry you will be amazed by a variety of wildlife that are residents here from herds of elephants, lions, gravy zebras, reticulated giraffes, leopards among others.
